ST. IGNATIUS (BALTIMORE) MOVIE NIGHT—"OUR TOWN"—FRIDAY, MAY 15

Playwright Thornton Wilder beckons theatergoers into an exploration of our universal human experience. Since its debut in 1938, Thornton Wilder's *Our Town* has been embraced as an American classic. The play is simple enough to be studied by middle school students, yet rich enough in meaning to warrant continual productions on Broadway and in community theaters throughout the nation. *Our Town*, affectionately capturing the small joys of everyday life as viewed from the perspective of eternity, tells the story of two ordinary families living in the fictional town of Grover's Corners, N.H. In three acts, we experience life's great milestones: new life, first love, long-lasting love and the effect of death. The last act holds special significance as Wilder uses the theme of death to show how humans fail to "realize life while they live it." "Oh, earth. You're too wonderful for anybody to realize you," observes a lead character. On Friday, May 15, St. Ignatius will present the filmed version of Paul Newman's return to Broadway (2002) after a 38-year absence as he brought his Westport Country Playhouse production of *Our Town* to the famed Booth Theater. A magnificent play, a magnificent cast – it proves to be a gratifying and transformative evening. Date & Time: **Friday, May 15. 7:30PM**. Location: Ignatian Hall on the lower level of the church. Cost: There is no charge for this event. Popcorn, snacks and beverages will be provided.

TALK WITH YOUR LOVED ONES ON END-OF-LIFE ISSUES

Illness and death – whether our own or that of a loved one – are issues many of us avoid thinking and talking about until they are immediately confronting us. Too often we are unprepared for the questions that arise, and find ourselves making difficult decisions in the midst of a crisis, without the benefit of time and reflection. Maryland's bishops have released a pastoral letter, *Comfort and Consolation*, on care for the sick and dying to encourage Catholics to take that time now, before facing a crisis, so that when illness and death inevitably come, we can face them with the comfort and peace of understanding our faith, and knowing our Lord is there to embrace us in our hour of need. Visit the Maryland Catholic Conference at www.mdccathcon.org/comfort for downloading copies or to order.
